EVENT-2

GUEST LECTURE ON MINOR BRIDGE ENGINEERING

Scheduled on 21/11/2023

Event Description

The Department of Civil Engineering, IIHT Institute of Technology and Management, Lucknow organized a Guest Lecture on "**Minor Bridge Engineering**", on the **21st November 2023** at **Stepper's Hall.** The Guest Speaker of the session was **"Dr. R. K. Srivastava"**, who is Rtd as Chief Engineer, PWD and is currently working as Professor in Ramswaroop University.

The event started with invocation and lighting of lamp; followed by a welcome address by Prof. D. S. Ray (HOD, Department of Civil Engineering, IIHTMI). The guest lecture was preceded by a short motivational speech by Dr. S.S. Chandra (Director, IIHTMI).

In his presentation, Dr. R. K. Srivastava emphasized on the importance of Minor bridge engineering in India. This guest lecture offers an invaluable opportunity to aspiring engineer, a seasoned professional, or simply someone with a curiosity for infrastructure to expand his knowledge, network with industry experts and get inspired by the innovative approaches and solutions shaping the future of minor bridge engineering. The students found the lecture interesting and thought provoking.
