

ACM Student Membership

Benefits & Opportunities

BBDITM Student Chapter

Babu Banarasi Das Institute of Technology & Management
Empowering Future Computing Leaders

Association for Computing Machinery
World's Largest Educational and Scientific Computing Society

What is ACM?

About ACM

- ▶ Founded in 1947
- ▶ World's largest computing society
- ▶ 100,000+ members worldwide
- ▶ Present in 170+ countries
- ▶ Non-profit professional organization
- ▶ Dedicated to advancing computing as science and profession

Mission & Vision

- ▶ Advance computing research & practice
- ▶ Promote professional standards
- ▶ Provide learning resources
- ▶ Foster innovation & collaboration
- ▶ Support computing education
- ▶ Shape the future of technology

100K+

Years of Excellence

Why Join ACM as a Student?

✓ Access to Knowledge

Digital library with 3+ million articles, research papers, and technical resources from leading computing experts

✓ Career Advancement

Enhance your resume, connect with industry leaders, and access exclusive job boards and internship opportunities

✓ Skill Development

Online courses, webinars, workshops, and certifications to stay ahead in emerging technologies

✓ Networking

Connect with 100,000+ professionals, attend conferences, and join special interest groups (SIGs)

✓ Cost-Effective

Student membership at just \$19/year (first year) - incredible value for resources worth thousands

✓ Competitions & Awards

Participate in programming contests, hackathons, and apply for scholarships and recognition awards

ACM Benefits for Female Students in Computing

♀ Women-Centric Programs & Support

♀ ACM-W (Women in Computing)

Join ACM-W chapters for mentorship, networking events, and leadership development specifically for women in tech

♀ Scholarships & Grants

Access to scholarships like ACM-W Richard E. Merwin Scholarship, Grace Hopper Celebration scholarships, and travel grants

♀ Mentorship Programs

Connect with female tech leaders and role models through ACM's mentoring network and women-in-tech communities

♀ Conference Support

Discounted or sponsored attendance to Grace Hopper Celebration (GHC), ACM-W Europe, and other women-focused tech events

♀ Leadership Opportunities

Lead ACM-W student chapters, organize events, and build leadership skills in a supportive environment

♀ Industry Connections

Network with companies actively seeking diverse talent - Google, Microsoft, Amazon, and more prioritize women in tech hiring

Travel & Accommodation Grants for Indian Students

ACM India-IARCS Travel Grants

Jointly administered by ACM India and IARCS since 2014 for students attending international conferences

₹60,000 - ₹1,00,000
Per Conference

What's Covered

- ▶  International airfare (economy class)
- ▶  Accommodation during conference
- ▶  Conference registration fees
- ▶  Local transportation
- ▶  Visa fees (sometimes)

Eligibility

- ▶ Affiliated with Indian institution
- ▶ Presenting original computing research
- ▶ Graduate students get preference
- ▶ ACM student membership required
- ▶ One grant per 12 months

How to Apply:

- 1 Apply Online:** <https://www.iarcs.org.in/activities/grants.php>
- 2 Submit:** Paper acceptance, budget estimate, institution details
- 3 Wait:** ~1 month for notification
- 4 Attend & Reimburse:** Pay upfront → Attend → Submit receipts → Get reimbursed

♀ ACM-W Scholarships for Women Students

💰 Scholarship Amounts

- ▶ **Intra-continental:** Up to **\$600 USD** (~₹50,000)
- ▶ **Inter-continental:** Up to **\$1,200 USD** (~₹1,00,000)
- ▶ No paper presentation required!
- ▶ Deadline: Typically April 15

🔗 Apply Here

<https://women.acm.org/scholarships/>

For women students in CS/related fields from Indian institutions

Pro Tips for Indian Students

- ✓ Apply early - grants are competitive!
- ✓ Combine multiple funding sources (ACM India + ACM-W + Institutional)
- ✓ Keep ALL original receipts for reimbursement
- ✓ Target ACM India events (lower costs, higher acceptance)
- ✓ Book refundable flights until grant confirmation

Top Companies That Prefer ACM Students

Leading tech companies actively recruit ACM members for internships and full-time positions

Global Tech Giants

 Microsoft Active ACM partner, sponsors ICPC, offers internships & new grad roles	 Google Heavily recruits from ACM, sponsors conferences, Google Code Jam	 Amazon ACM member preference, AWS programs, competitive internships	 Meta (Facebook) Values ACM membership, research collaborations, FB Hack
 Apple ACM Digital Library users, WWDC scholarships, internships	 IBM Long-time ACM supporter, research positions, IBM Codes	 NVIDIA GPU computing research, ACM SIGGRAPH sponsor, AI roles	 Intel ACM partnership, hardware research, internship programs

Top Indian Companies

 TCS ACM India supporter, campus placements, research labs	 Infosys Values ACM members, global projects, training programs	 Wipro ACM collaboration, emerging tech roles, internships	 HCL Technologies ACM member preference, R&D opportunities
--	---	--	--

Why Companies Prefer ACM Members?

Access to cutting-edge research • Strong problem-solving skills • Commitment to continuous learning • Professional network • Proven technical excellence

🌟 Notable Indian ACM Members in Top Companies

Inspiring Indian tech leaders who are/were ACM members

Sundar Pichai

● Google/Alphabet

CEO

ACM Fellow • Led development of Chrome, Android • IIT Kharagpur alumnus

Satya Nadella

◆ Microsoft

CEO

Transformed Microsoft's cloud strategy • ACM supporter • Manipal Institute of Technology

Shantanu Narayen

● Adobe

Chairman & CEO

Led Adobe's creative cloud transformation • ACM member • Osmania University

Arvind Krishna

● IBM

CEO

AI and cloud computing leader • ACM contributor • IIT Kanpur alumnus

Rajeev Suri

📡 Nokia

Former CEO

Telecom industry leader • ACM member • Manipal Institute of Technology

Roshni Nadar Malhotra

👛 HCL Technologies

Chairperson

ACM-W supporter • Women in tech advocate • First woman to lead Indian IT company

🎯 **Your Journey Starts Here!**

These leaders started as students just like you. ACM membership can be your first step toward joining top tech companies!

ACM Digital Library - Your Knowledge Gateway

What's Included?

- ▶ **Full-text Articles:** 3+ million resources
- ▶ **Research Papers:** Latest computing research
- ▶ **Conference Proceedings:** 1,800+ titles
- ▶ **Journals & Magazines:** 50+ publications
- ▶ **Technical Magazines:** Queue, XRDS, etc.
- ▶ **Video Lectures:** Expert presentations

Key Topics Covered

- ▶ Artificial Intelligence & ML
- ▶ Data Science & Analytics
- ▶ Cybersecurity
- ▶ Software Engineering
- ▶ Cloud Computing
- ▶ IoT & Embedded Systems
- ▶ Human-Computer Interaction
- ▶ Algorithms & Theory

Access Anywhere, Anytime

Study on campus, at home, or on the go - your knowledge library travels with you!

Learning & Development Opportunities

Online Courses

Self-paced learning on cutting-edge technologies

Webinars

Live sessions with industry experts and researchers

Certifications

Professional certifications to boost your career

Tech Magazines

Stay updated with latest trends and innovations

Workshops

Hands-on training and skill-building sessions

Tutorials

Step-by-step guides on various technologies

Join ACM Student Chapter at BBDITM!

Ready to kickstart your computing career? Join our ACM Student Chapter and unlock endless opportunities!

✓ What You Get

Access to 3M+ research papers • Networking with 100K+ professionals • Skill development workshops • Conference travel grants • Career opportunities

✓ Membership Cost

Just \$19/year (first year) for ACM membership
FREE to join BBDITM ACM Chapter
Travel grants up to ₹1,00,000 for conferences
