Newsletter of Department of CSE

Department of CSE

- ▶ With the passage of time and expansion, the department has succeeded in carving out a place of distinction not just inside the institution, but also among its peers across the country.
- ▶ It has attracted bright students from all over the country for quality education in computer science and engineering. The department provides a vibrant educational environment.
- ▶ Students studying computer science at the BBDITM are in great demand in the software sector.
- ▶ Our alumni work in key national and worldwide software firms like as IBM, TCS, Oracle, Microsoft, Convergeis, Birlasoft, and others.

VISION & MISSION OF DEPARTMENT & INSTITUTE

VISION OF THE DEPARTMENT

"To produce globally competent professionals having social values and commitment to serve the global needs with the ability to work in an interdisciplinary environment."

MISSION OF THE DEPARTMENT

- To impart quality education to the students to enhance their ethical, professional and leadership qualities to make them globally competitive.
- To create a conducive environment in which students can explore computational problems and analyze them to identify the optimal solutions.
- To strive for continual enhancement of technical knowledge & innovation through industry interface to accomplish global needs

VISION OF THE INSTITUTE

"To become a leading institute of providing professionally competent and socially responsive technocrats with high moral values."

MISSION OF THE INSTITUTE

- To create an eco-system for the dissemination of technical knowledge, to achieve academic excellence.
- To develop technocrats with creative skills and leadership qualities, to solve local and global challenges.
- To impart human values and ethics in students, to make them socially and eco- friendly responsible.

PSO'S & PEO'S OF DEPARTMENT

PROGRAM SPECIFIC OUTCOMES (PSOS)

- Able to design and implement the data structures and algorithms to deliver quality software products.
- Able to apply Artificial Intelligence and Machine Learning concepts to solve society-related needs.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

- Students must be able to apply software engineering principles to analyze complex computing problems and identify their solutions.
- Students must be able to analyze, design, and implement the latest technology-driven projects.
- Students must be able to work in a collaborative environment and understand the ethical, social, and economic impact of their work.

INAUGURATION EVENT

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING, BBDITM, LUCKNOW

ORGANIZING COMMITTEE

- MS. ANIKA BISHT
- MS. ANJALI AWASTHI
- MR. SHIVAM DIXIT

On September 15, 2022, the Department of Computer Science & Engineering at BBDITM, Lucknow launched *ENIGMA 1.0*, the Department's Technical and Cultural Club for B. Tech. CSE students, with the assistance of Committee Members (Ms. Anjali Awasthi, Ms. Anika Bisht, Mr. Shivam Dixit).

The goal of the Club is to create a platform for students to enhance their talents. It is also meant to encourage pupils to thrive in academics as well as extracurricular activities. It enabled pupils to engage with their peers, seniors, and professors. Students and faculty members eagerly engaged and attended the session.
