# GUEST LECTURE ON ARTIFICIAL INTELLIGENCE

**Organized by:** SIEM CEM, Lucknow
**Department:** IT Department
**Venue:** BBDITM, Lucknow
**Speaker:** Dr. Gaurav
**Date:** 23 October 2023
**Participants:** Around 80 students from 2nd, 3rd and 4th year
**Coordinator:** Mrs. Soumya Saxena

## 1. Introduction

Artificial Intelligence (AI) is one of the most rapidly growing technologies in the modern digital era. It enables machines to simulate human intelligence and perform tasks such as learning, reasoning, decision making and problem solving. AI has become an important part of various industries such as healthcare, finance, education, robotics and cybersecurity.

To create awareness about this emerging technology, a **Guest Lecture on Artificial Intelligence** was organized by the **IT Department of BBDITM, Lucknow** for the students.

## 2. Objective of the Session

The main objectives of the session were:

- To introduce students to the basic concepts of Artificial Intelligence
- To explain the applications of AI in different industries
- To provide awareness about modern AI technologies
- To motivate students to explore career opportunities in AI and Data Science

## 3. About the Speaker

The session was delivered by **Dr. Gaurav**, who shared his valuable knowledge and experience in the field of Artificial Intelligence and modern technologies.

During the lecture, he explained how Artificial Intelligence is transforming industries and how students can develop skills in AI to build successful careers in the future.

## 4. Participation
