EVENT-1

Educational Tour to Chandigarh, kasol & Manali (Himachal Pradesh)

An Educational Tour was arranged by Department of Civil Engineering BBDITM, Lucknow for its Final Year students to visit of Beaskund Hydro Power Plant Palchan Himachal Pradesh, Atal Tunnel in Himachal Pradesh, Rock Garden in Chandigarh, Kasol, Manikaran, Kullu, Manali, Rohtang Pass and Water distribution system in Beas River. Forty-Four students accompanied with Three faculty members were scheduled to visit of Himachal Pradesh from 26th October to 1st November 2023. The program started with the blessings of Mrs. Alka Das Gupta, Chairperson of BBD Education Group and President Mr. Viraj Sagar Gupta. The program was inaugurated by Dr. Shailendra Singh Chauhan, Director, BBDITM and Prof. D.S.Ray, Head of Department of Civil Engineering.This Program is coordinate by faculty such as Mr. Abhay Yadav, Mr. Ashwani Kumar Pandey and Mr. Ashish Verma.

Educational tours provide the opportunity for students to learn hands-on through interactions, working methods and employment practices. Interaction with outsiders helps in improving communication skills and makes them more sociable. Academic tour helps in the development of the overall personality of the students. It introduces the students to the outside world. It makes them better with a new prospect and helps in the development of the overall personality. It exposes the students to the outside world, be it local & global issues. It improves them with a new prospective and helps in developing overall personality.

The journey was filled with a lot of enthusiasm. The aim of the Industrial Visit was to emphasize practical knowledge in the field of Core Civil Engineering. visits to various industries were helpful for students to find placement opportunities in such Industries. The students have learned to see the road construction in hilly area, water distribution in hilly area and tunnel construction work. The students, as well as the teachers, enjoyed and visited global icon of places in Chandigarh and Himachal Pradesh like Beaskund Hydro Power Plant Palchan Himachal Pradesh, Atal Tunnel in Himachal Pradesh, Rock Garden in Chandigarh, Kasol, Manikaran, Kullu, Manali, Rohtang Pass and Water distribution system in Beas River.
